

# TORONTO LAKESHORE DENTAL

---

Dear

Welcome to our practice!

We would like to take this opportunity to welcome you and inform you about our office policies to help make your experience here as enjoyable as possible.

We understand that life is full of surprises and sometimes things will come up that may prevent you from attending a booked appointment with us, however we do require two business days to make any changes to your appointment. This will help us to manage our schedule and keep our focus on providing you with the best dental care possible!

We offer direct submission to your insurance company on your behalf as well as submitting any correspondence for estimates. We gladly accept insurance payments at our office to help you. Please be sure to pay any differences that your insurance does not cover the same day as your appointment.

We look forward to seeing you soon.
